Decided to Build the Road.

At a meeting of the stockholders of the Maysville, Carlisle, Millersburg and Paris Traction Company in Maysville all matters pertaining to the proposed road were gone over carefully, and it was decided to build the road. The different plans for raising the money for the construction of the road were discussed in detail. It was unanimous decision of all the stockholders that the matter shall be pushed from this on, and that capable men be employed for the purpose of canvassing along the entire route. It will require the co-operation and subscriptions for stock along the entire line in order to build the road. A meeting of the directors will be held in Maysville this week, when plans for future work will be perfected.

Arrested in Missouri.

Henry Pate, will be brought back from Missouri, where he was recently arrested, to stand trial at Lexington on the charge of stealing a horse from J. C. Todhunter, of Fayette county. At the time of the alleged theft Pate was employed as a tobacco hand on the Leslie Combs farm, which adjoins Mr. Todhunter's. It is charged that he rode the horse to Williams-town, where he sold it for \$29 and left for parts unknown. Mr. Todhunter several weeks later recovered the horse, which was a valuable one. A letter from Prosecuting Attorney at Montgomery City, Mo., states that Pate was in jail at that place, and that he would be handed over to the Kentucky authorities as soon as he served his term for a crime there.

Pate is now in jail at Montgomery City on a petty charge, and, learning that he would be brought back to Kentucky, made a desperate but unsuccessful attempt to escape. Pate has already served two terms in the Kentucky penitentiary for horse stealing, and if he is convicted of his last offense he will be given a life penalty under the habitual criminal act.

He was first sent to the Kentucky penitentiary in 1896 from Bourbon County for stealing a horse near Millersburg. For this crime he was given two years. After his release he went to Fayette county, where he stole a horse from Capt. J. D. Yarrington. He was arrested for the latter theft and given six years in the penitentiary.

Daniel Durbin sold ten shares of same stock to Chas. Talbott, of Mason county, at \$305.50 without any dividend. The par value of the stock is \$100 per share.

The goat mascot on an English vessel knocked the cook overboard, thus vindicating the sailors, who had complained of the strength of the butter.

Sunday School Rally.

A Sunday School Rally will be held in the Christian Church in Paris on Monday, August 6.

The annual convention of the County Sunday School Association will be held at the Little Rock Christian Church Tuesday, August 7.

A strong program is being prepared for these services, and every effort will be made to make this the best convention ever held in the county. Mr. Vaughn will represent the state work. He is thoroughly conversant with every detail of Sunday school work and his talks will be practical and helpful. Some of the best local talent will also be utilized. The secretary is now gathering reports from the Sunday schools of the county, and every superintendent should send in his report and contribution promptly. Each school in the county should appoint one or two delegates to represent the school officially. In addition to these as many others as possible should attend. Look for program in next issue of this paper. For any information address the County President, Rev. F. E. Jones, Little Rock, or County Secretary, Dr. E. L. Stevens, Paris, Ky.

Lexington Now Champions.

By winning the fourth consecutive game from Paris Sunday afternoon, the Lexington baseball club became champions of the Bluegrass. The score stood 5 to 2 in favor of Lexington. The Paris team has been strengthened and put up a good stiff game, but unlucky errors at critical points of the game lost for them. Hits were scarce on either side.
